

Statement on REACH for Cablectrix Ltd

In June 2007 the European Regulation (EC) 1907/2006 concerning **Registration, Evaluation, Authorisation and restriction of Chemicals (REACH)** came into force.

At this moment Cablectrix Ltd does not supply any products that require registration with REACH.

Cablectrix Ltd is a distributor and as such does not manufacture anything nor does it import any chemicals requiring REACH registration into Europe.

If this situation should change in the future we will inform the relevant customers immediately.
